SUMMER INTERNSHIP / WORK EXPERIENCE

Tech intern, Knowvation Learnings	Feb 2024 - Apr 2024
During my internship at Knowvation Learnings, I focused on developing and maintaining websites, which greatly improved my skills in web development. I gained hands-on experience with HTML, CSS, and JavaScript, creating user-friendly and responsive websites that performed seamlessly across different devices and browsers. This opportunity not only strengthened my technical proficiency but also cultivated my ability to problem-solve and collaborate effectively in a team environment.	
Tool Room intern, Caparo Engineering India Pvt Ltd	Aug 2021 - Jun 2022
During my internship at Caparo's tool room, I assisted engineers with press operations, fitting, machining, and die corrections. This hands-on experience provided me with practical skills in operating machinery, ensuring precision in tool manufacturing, and contributing effectively to the shop floor environment. Working closely with professionals, I gained valuable insights into the intricacies of tool making and enhanced my understanding of engineering practices essential for the manufacturing industry. These experiences also developed my soft skills such as attention to detail, problem-solving, and the ability to work in a team-oriented environment, which are transferable and beneficial in the IT sector.
